

NOTICE TO POLICYHOLDERS JURISDICTIONAL INSPECTIONS

Dear Policyholder;

Many states and some cities issue certificates permitting the continued operation of certain equipment such as boilers, water heaters, pressure vessels, etc. Periodic inspections are normally required to renew these certificates. - You own or operate equipment that requires a certificate from a state or city to operate legally, and
- We insure that equipment under this Policy, and
- You would like us to perform the next required inspection;

Then;

Call this toll-free number – **1-800-425-4119** (As North Star has outsourced these inspections to St. Paul Travelers, this number will connect you with a representative from St. Paul Travelers)

When you call this number, a representative from St. Paul Travelers will ask you for the following information:

- Name of your business (as shown on this Policy);
- Policy Number;
- Location where the equipment is located. Including Zip Code;
- Person to contact and phone number for scheduling of inspection;
